

Year 4 Home Learning Projects

Choose one of these activities to do at home with your family.

Research

Who was Julius Caesar?

You may present your findings as a fact file, drawing or PowerPoint. These need to be detailed and clear. Ensure your work is of a high standard.

THE ROMANS

Knowledge

What did Romans introduce to Britain?

Find out at least five things that Romans introduced to Britain. Can you video yourself presenting your research? Can you use props and make it realistic?

Create

Create your own Roman Shield. You should design your shield: draw a picture of a shield and then make a life-sized one out of cardboard. Can you take photographs and show how you completed each stage?

Create

What's cooking?!

Can you research and gather information before you cook a Roman dish to share with your family? Take photos or videos of your creation and be able to explain the process and facts.

Understanding

Write a diary entry as a day in the life of a Roman soldier.
